Pacific Coast Terminals (PCT) is providing the public an update of minor continued berm construction activities taking place near the terminal. After having completed the bulk of the berm construction and having let the berm settle for a month, we are topping up the berm to design elevations in localized areas. This work is expect to take two or three days to complete.

Working Hours

Daily activities will take place from 7:00 am to 8 pm consistent within the VFPA Project Permit #15-136
