## NOTICE

### **Mr. Wade Leslie**

Pacific Coast Terminals Co. Ltd. is pleased to announce the appointment of Mr. Wade Leslie to the position of Terminal Manager, effective July 1, 2012.

Wade originally joined PCT in 1999 when he held the positions of Materials Coordinator and Maintenance Planner until 2003. After a brief period at Terminal Systems Inc., Wade returned to PCT in 2005 in the role of Assistant Manager, Operations, and assumed the role of Manager, Operations in 2008.

In this new role, Wade will be responsible for overall management of both the Operations and Engineering & Maintenance Departments of PCT, and will report to Ken Catton, Vice President & General Manager.

Wade holds a Bachelor of Commerce degree from the University of Manitoba, a Masters of Business Administration from Simon Fraser University, and has also obtained a Certified Management Accountant (CMA) designation.

Please join me in wishing Wade much success in his new position.

### **Mr. Beau Storey**

Pacific Coast Terminals Co. Ltd. also is pleased to announce the appointment of Mr. Beau Storey to the position of Manager, Operations, effective July 1, 2012.

Beau will report to Mr. Wade Leslie, Terminal Manager, and will be responsible for management of the Company's operations, including all labour relations aspects pertaining to operations employees.

Beau joined PCT in 1998 in the role of Operations/Maintenance Assistant following two years of working at PCT as a summer student. He became the Maintenance Planner in 1999, and then was promoted to Assistant Manager, Operations in 2002. Beau holds a Physics Degree from the University of British Columbia and a Robotics Diploma from the British Columbia Institute of Technology.

Please join me in also wishing Beau much success in his new position.

Ken Catton
