A Pacific Coast Terminals publication for the residents of Port Moody

THE TIDES ARE CHANGING ON THE WATERFRONT

ON MAY 15, 2018, Wade Leslie was appointed President and Chief Executive Officer of Sultran Ltd. and Pacific Coast Terminals (PCT). Mr. Leslie began his career at PCT in 1999 in the Maintenance and Engineering Department. In 2012, he became Terminal Manager before being appointed to Vice-President and General Manager in 2014. In these later roles, Wade has enjoyed success in implementing continual improvement to both the terminal's efficiency and productivity while significantly reducing operating costs. PCT is considered one of the most efficient and safe bulk terminals in the Port of Vancouver.

Born and raised in Winnipeg (too bad about the Jets), Wade graduated with a Bachelor of Commerce degree, went on to receive his Masters of Business Administration and has his Chartered Professional Accountant designation. He is also a holder of the Institute of Corporate Directors Director designation (ICD.D). If you think that's impressive, he also fought Ed O'Neil (Al Bundy) in Brazilian Jiu Jitsu. Wade never did say if he won or not. Wade is in the process of moving his wife and two sons, 5 and 2, over to Calgary, to pursue his new career direction.

AND SO BEGINS A NEW CHAPTER FOR PCT.

Mr. Andre Olivier was appointed Vice-President and General Manager of PCT. He started his professional career in 1997 at an international sugar facility in South Africa before gaining further engineering, maintenance and operational experience in Mozambique between 2000 and 2006. Andre joined PCT in 2007 as Staff Engineer before advancing to Assistant Manager, Engineering and Environment in 2009 and Manager of Engineering in 2013.

Andre was born and raised in South Africa and is married with two daughters, 7 and 10. He graduated from the University of Stellenbosch with a Bachelor of Engineering (Mechanical) Degree, completed his Master of Business Administration from the University of Phoenix and obtained his Project Management Professional (PMP) designation in 2010. Andre is also a registered Professional Engineer (P. Eng.) in the Province of British Columbia and has been an integral member of PCT over the past decade and a driving force in the management of the latest new business infrastructure additions. The team at PCT look forward to the future under his direction.

WADE LESLIE, PRESIDENT AND CEO OF SULTRAN LTD. & PCT LTD.

ANDRE OLIVIER, VP AND GM OF PCT LTD.

TAKE OUR SURVEY, AND WIN!

Please use the link below to participate in PCT's community survey. By taking part in our survey, you will be entered into a draw to **WIN ONE OF MANY GREAT PRIZES FROM OUR AWESOME COMMUNITY PARTNERS.**
